PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181(a)

Sir:

On November 28, 2005, a Notice of Abandonment was mailed by the U.S. Patent and Trademark Office, stating that the issue and publication fees were not received for the instant application. Applicant hereby requests that the Notice of Allowance be rescinded for the following reason:

The issue fee (\$1,400), publication fee (\$300), and advance order for 10 copies of the printed patent (\$30) were paid in March 2005.

Please see the attached March 2005 Deposit Account Statement, which shows the fees posted on March 30, 2005. Also attached are copies of the following:

1. Communication Regarding Fees and Part B - Fee(s) Transmittal, which were faxed to the PTO on August 3, 2005 (a copy of the PTO fax confirmation for this filing is also attached); and

Application No. 10/825,339

2. A copy of page 1 of the PTO's "Decision on Petitions" mailed July 6, 2005, which advises that the issue and publication fees (which were paid in March 2005) may be applied towards the new Notice of Allowance dated July 13, 2005.

In view of the above, Applicant respectfully requests issuance of the Letters Patent.

It is believed that no petition fees are required for this matter; however, should the U.S. Patent and Trademark Office disagree, the Commissioner is hereby authorized to charge any requisite fees to Deposit Account No. 50-1214.

Respectfully submitted,

OFFICE OF PETITIONS

In re Application of
Thomas Neil Horsky et al
Application No. 10/825,339
Filed: April 15, 2004
Attorney Docket No. 211843-00035

DECISION ON PETITIONS

This is a decision on the petition, filed July 1, 2005, under 37 CFR 1.313(c)(2) to withdraw the above-identified application from issue after payment of the issue fee. This is also a decision on the petition filed July 1, 2005, which is being treated as a petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), to accept an unintentionally delayed claim under 35 U.S.C. §§120, 365(c) and 119(e) for the benefit of the prior-filed applications set forth in the concurrently filed amendment.

The petitions are Granted.

As to the petition under 37 CFR 1.313(c)(2):

The above-identified application is withdrawn from issue for consideration of a submission under 37 CFR 1.114 (request for continued examination). See 37 CFR 1.313(c)(2).

Petitioner is advised that the issue fee paid on March 28, 2005 in the above-identified application cannot be refunded. If, however, the above-identified application is again allowed, petitioner may request that it be applied towards the issue fee required by the new Notice of Allowance.

¹ The request to apply the issue fee to the new Notice may be satisfied by completing and returning the new Issue Fee Transmittal Form PTOL-85(b), which includes the following language thereon: "Commissioner for Patents is requested to apply the Issue Fee and Publication Fee (if any) or re-apply any previously paid issue fee to the application identified above." Petitioner is advised that, whether a fee is indicated as being due or not, the Issue Fee Transmittal Form must be completed and timely submitted to avoid abandonment. Note the language in bold text on the first page of the Notice of Allowance and Fee(s) Due (PTOL-85).
